## CSR [Corporate Social Responsibility]

Social upliftment of the weaker sections of the society is a mission close to our heart and we have always strived hard to fulfill that mission. To fulfill that, we established 'Mahendra foundation' in 2015. Since then, we have provided free education to under privileged children and planned & executed recreational outings for senior citizens. We have also introduced electric platform cars at CST station, to help elderly, physically handicapped people board trains easily, at a nominal cost. We plan to extend this noble work, pan India with a blend of creativity and practicality, 'Mahendra Foundation' ensures to be a part of inspiring welfare plans.
